

Thanksgiving Food Drive Every November

This is the time of the year where we take a moment to reflect and show our gratitude. Our Thanksgiving Food Drive has begun! For 76 years the LA Mission has battled poverty and homelessness. To help, every year we deliver over **1,000 pounds** of canned and dried goods to the LA Mission. The staff at the mission is always very appreciative. This year we want to do the same.

Fill a bag with one or as many canned and dry goods as desired:

- ❖ Corn, Beans, Soups, Beef Broth, Chicken Broth, Pasta, Pumpkin, Peas, Compote

Items will be donated to Los Angeles Mission Shelter in Downtown Los Angeles
