

# Pennies for Patients

## Every February

Pennies for Patients raise funds for blood cancer research and patient services. Ararat Charter School is proud of our participation in Pennies for Patients Campaign. It is an opportunity for our children to learn the satisfaction of helping others and nurture their confidence and ability to make a difference.

Please support this worthy cause and your child by collecting contributions with a take-home individual collection box.

Thank you in advance for your participation in making our students' Pennies for Patients Campaign a success!

- Assemble attached box
- Bring pocket change to school every day for the next two weeks
- Daily classroom totals will be tracked
- Classes with the highest money collection will earn a Pizza party

## Small Change Makes a Big Difference!
