## **Update on Audits, Reviews, & Mandated Reporting**

### **17-18 CONAPP (Consolidated Application)**

The Consolidated Application (ConApp) is used by the California Department of Education (CDE) to distribute categorical funds from various state and federal programs to county offices, school districts, and direct-funded charter schools throughout California. Annually, in May, each local educational agency (LEA) submits the spring release of the application to document participation in these programs and provide assurances that the district will comply with the legal requirements of each program. Program entitlements are determined by formulas contained in the laws that created the programs.
