Ararat Charter School
Weekly Communication
Week 1: August 17 – 21, 2020

Dear ACS Families,

Based on a few parents' feedback during the August 20, 2020 ACS Board Meeting, we have revised the current ACS Virtual Schedule.

Please take a moment to complete this **1-question survey**. We would like you to **VOTE** on your preferred virtual schedule.

Schedule A : has a 40-minute block of independent work time (IWT) - with a 20-minute break.

Schedule B : is a 25-minute block of independent work time (IWT) - with a 10-minute break.

IWT is when your student goes off Zoom and completes an assignment on their own. Please review both schedules carefully and choose the schedule that you would like to see implemented. Please note that, based on your vote, *either* Schedule A or Schedule B will be adopted schoolwide.

THE SCHEDULE WITH THE MOST VOTES WILL BE ADOPTED AND WILL COMMENCE ON MONDAY, AUGUST 31, 2020.

For your vote to be counted, please submit this survey no later than **Monday, August 24, 2020 @ Noon.** We look forward to tallying your preference and choosing the final schedule.

Thank you for your continued support of Ararat Charter School, your school of choice.

2020-21 School Year Computing Device & Internet Access Survey

If you have completed this survey, please do not submit the request again.

August 18, 2020

Dear Ararat Charter School Families,

We would like to conduct a second round of survey to determine which students will require internet access and a computing device. In an effort to continue to provide our students with quality instructions, we are preparing various online platforms so that our students can have access to live and direct instruction as well as assignments and resources.

Please click on the link below to complete the 2020-21 School Year Computing Device & Internet Survey by Wednesday, August 19, 2020, 4:00pm, to help us determine your technology needs at home during this period. We need 100% participation from our families to be able to provide your child with the best learning opportunities.

Devices will be distributed on a first come first serve basis. School personnel will contact the interested families sometime next week to arrange a pickup time.
