NOTICE**

Week 7: September 28-October 2, 2020

MEAL APPLICATION

We need your help! Please complete a 2020-21 application for free and reduced-price meals. The state's Local Control Funding Formula (LCFF) for public education is highly dependent on a school's number of free and reduced-price meal eligible students. **This factor is very powerful in the calculation and can generate funding needed to support and grow the outstanding programs in our school. *It is important for every family to complete an application, regardless of their qualification. Getting a 100% response rate is important for Ararat Charter School.***

Please submit application as soon as possible as LAUSD processes applications for the rest of the district as well.

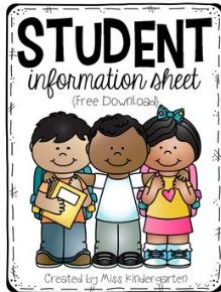

Below is the URL to access the online application:

UPDATING STUDENT INFORMATION

What is the Annual Beginning of School Student Information Update?

In order to best serve, support, and protect our students, parents and guardians have been required to annually update each student's personal and medical information. This update is done through our online process.

Why is this process necessary?

For the safety of our students, this once a year process is necessary in order for the school to have accurate, important student information, such as addresses, phone numbers, emergency contacts, and medical needs.

How often is this updating of information required?

This updating of information has been, and continues to be, required once a year.

Do I need to fill out a separate form for each student?

No, you may list all of your students on the same form.

What if I do not have any changes to make? Do I still need to fill those forms?

Yes, even if you do not have any changes to information you still need to fill out the information for each student.

When must the process be completed by?

Parents/guardians are to complete this important information by September 9, 2020.

What if I do not update my child's information by the end date?

If you do not update the information the school will not have accurate contact and medical information for your child. This may limit certain activities or events your child can participate in. In order to best serve, support, and protect our students, we ask for this update annually.

Week 7: September 28-October 2, 2020

What if my child recently registered, do I still have to complete this process?

While we understand that information may not have changed since registering your child, verification of the information is still required.

What if I have additional questions?

Please contact the school's office if you have any additional questions.
