Dear Ararat Charter School Families,

Since Los Angeles County remains in Tier 1 (Widespread Community Transmission) on the State's Blueprint for a Safer Economy, schools must remain closed to in-person instruction with the exception of limited specialized services and assessments for students with high needs.

The Department of Public Health has also provided an opportunity for a limited number of schools in grades TK-2, with support and guidance from the Board of Supervisors, to provide classroom instruction to their TK-2 students.

Please note, however, that Ararat Charter School is on LAUSD (District) property. As such, the District has not allowed students to occupy their facilities just yet to provide in-person general instruction. Know that as soon as we receive word, we will communicate with you, as appropriate.

We thank you for your patience and for making Ararat Charter School, your school of choice.

Kind regards,

A handwritten signature in black ink, appearing to be "Aida Tatiossian", written over a horizontal line.

Dr. Aida Tatiossian
