

## How to Sync your Google Classroom Account to Google Docs and Google Slides Apps?

1. You need to have your student's Google Classroom Account information.

2. Open Google Docs App.

Classroom 8:41 PM Tue Aug 18

34%

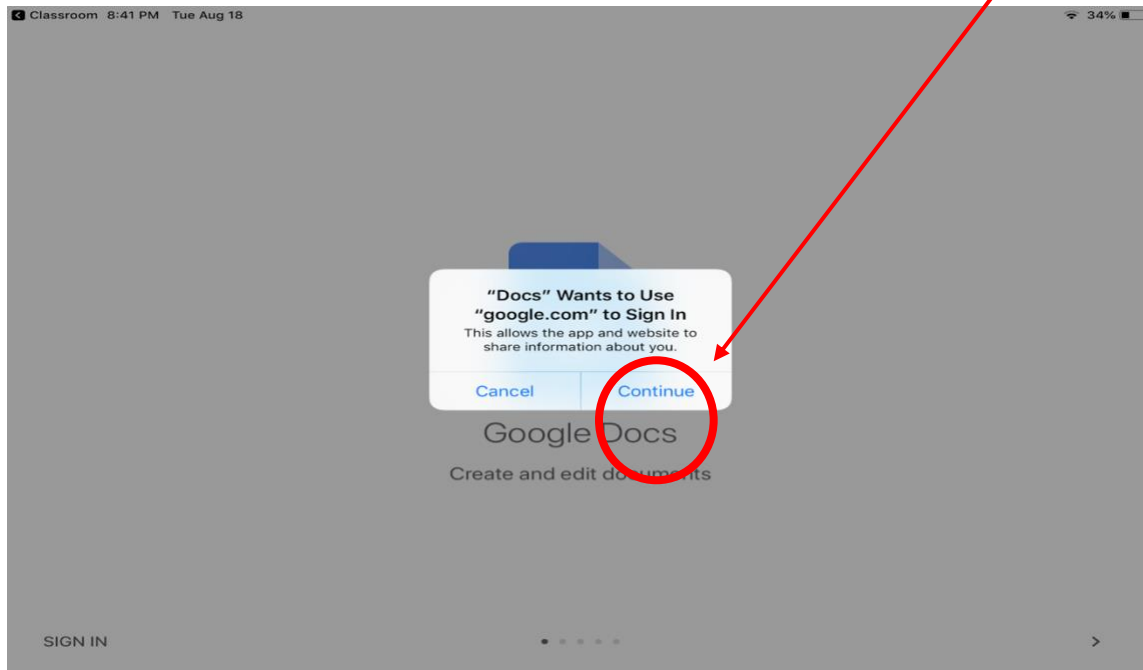

Google Docs  
Create and edit documents

3. Click on "Sign In"

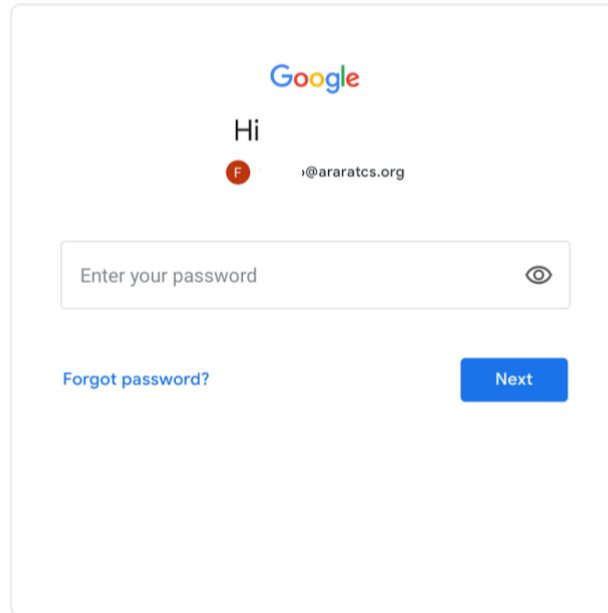

4. A pop up for permission will appear. Click on “Continue” to grant access.

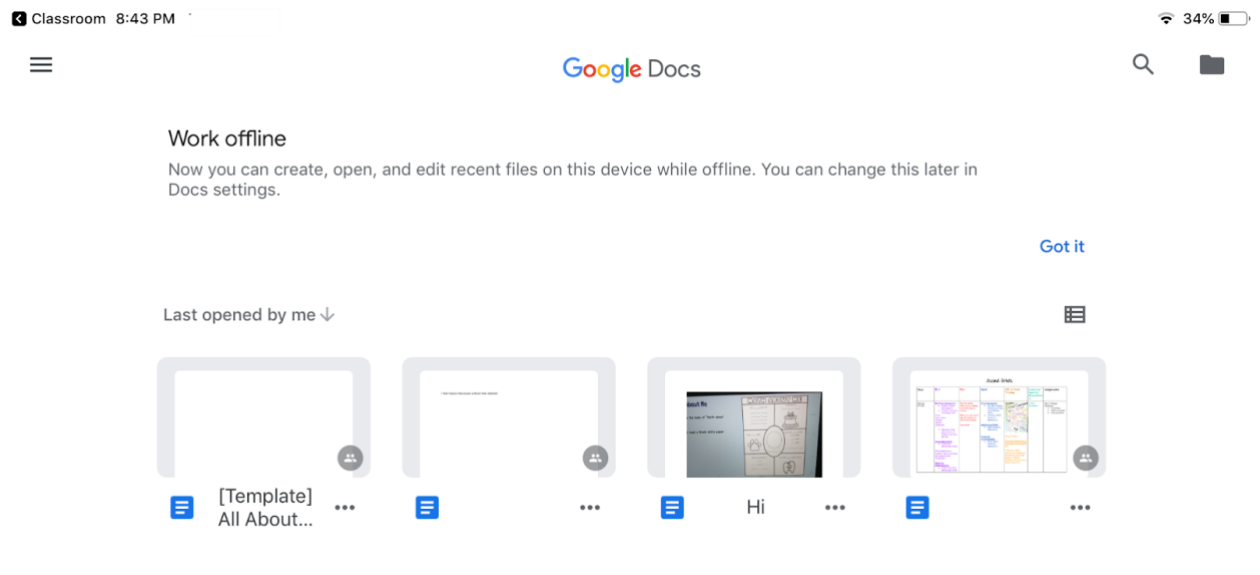

5. Type in the Student’s email address that the school provided. Then click next.

A screenshot of the Google Sign in screen. At the top is the Google logo. Below it is the text "Sign in" and "with your Google Account. You'll also sign in to Google services in your apps & Safari." There is a text input field with the placeholder text "Email or phone". Below the input field are two links: "Forgot email?" and "Create account". At the bottom right is a blue button labeled "Next".

6. Type in the Student's password provided from the school.  
Then click next.

7. Then the Google Docs will open with your student's account synced in.

***\*\*\*Same procedure will be done for Google Slides and Jamboard.***
