

January 22, 2020

Dear Parent/Guardian,

Our school is focusing on creating a culture of kindness. We're excited to announce that Ararat Charter School will be having **Kindness Week** from **January 27, 2020 through January 31, 2020**.

While we focus on the power of kindness daily, **The Great Kindness Challenge** will be a great opportunity to teach our students the important of being kind to others. The attached hand out will be given to students in order for them to practice different acts of kindness during the week.

During this time, we'll focus even more on performing as many acts of kindness as possible at school, home and in the community.

Your child will be part of a powerful and positive **bullying prevention initiative** that will lead to more kindness, unity and respect at school and beyond.

To have the greatest impact on our students, we want to engage families to join the Great Kindness Challenge and work together with your child at home.

Thank you in advance for helping create a culture of kindness and compassion in our school. The work we do during this special week will only emphasize what we strive to accomplish every day in our schools, which is to create a safe and welcoming environment for all.

In addition, on **Friday January 31, 2020**, students will be allowed to wear the **colors below based on their room number** below. **Our goal is to spread a rainbow of Kindness on this day!**
