### ***Instructions for Presentations to The Board by Parents and Citizens***

The Ararat Charter School (“School”) welcomes your participation at the School’s Board meetings. The purpose of a public meeting of the Governing Board (“Board”) is to conduct the affairs of the School in public. We are pleased that you are in attendance and hope that you will visit these meetings often. Your participation assures us of continuing community interest in our School. To assist you in the ease of speaking/participating in our meetings, the following guidelines are provided.

1. Agendas are available to all audience members at the door to the meeting.
2. “Oral Communications” is set aside for members of the audience to raise issues that are not specifically on the agenda. However, due to public meeting laws, the Board can only listen to your issue, not respond, or take action. Members of the public who wish to comment during the Board meeting may use the "Request to Address the Governing Board" form" available on the School’s website. Individual comments will be limited to three (3) minutes. If an interpreter is needed for comments, they will be translated to English and the time limit shall be six (6) minutes. The Governing Board may limit the total time for public comment to a reasonable time.
3. When addressing the Board, speakers are requested to state their name and address from the podium and adhere to the time limits set forth.
4. Citizens may request that a topic related to school business be placed on a future agenda. Once such an item is properly agendized and publicly noticed, the Board can respond, interact, and act upon the item.
5. The Board reserves the right to mute or remove a member of the public if comments or actions disrupts the Board meeting.
