### Update on Wilkinson's Audit Findings for Unduplicated Counts

- The auditors have completed the audit at LAUSD.
- **I have contacted Wilkinson's for our audit findings and they have communicated that they will be sending us the results within the next few weeks.**

How are "unduplicated pupils" defined for purposes of calculating supplemental and concentration grant amounts?

Supplemental and concentration grant amounts are calculated based on the percentage of "unduplicated pupils" enrolled in the LEA on Census Day (first Wednesday in October) as certified for Fall 1. The percentage equals:

- Unduplicated count of pupils who (1) are English learners, (2) meet income or categorical eligibility requirements for free or reduced-price meals under the National School Lunch Program, or (3) are foster youth. "Unduplicated count" means that each pupil is counted only once even if the pupil meets more than one of these criteria (*EC* sections 2574(b)(2) and 42238.02(b)(1))

### Form 990

The IRS **Form 990** is the reporting **form** that many federally tax-exempt organizations must file with the IRS each year. This **form** allows the IRS and the general public to evaluate a nonprofit's operations; it includes information on the nonprofit's mission, programs, and finances.
